On Tuesday, July 1, 2014, I, United States Border Patrol Agent (b)(6) and (b)(7)(c), was assigned to roving patrol of the Indio, California Border Patrol Station's area of responsibility, along with Agents (b)(6) and (b)(7)(c) Agents (b)(6) and (b)(7)(c)

<p>and I were wearing green uniforms with badge identifiers visible. Agent (b)(6) (b)(7)(C) and I were in a green and white Dodge Charger that was marked with Border Patrol insignia and equipped with emergency lights and siren. Agent (b)(6) (b)(7)(C) was in a green and white Chevrolet Tahoe that was marked with Border Patrol insignia and equipped with emergency lights and siren.</p> <p>(b) (7) (E)</p> <p>At approximately 6:40 a.m., Agent (b)(6) (b)(7)(C) and I were driving west in the number one of three lanes (i.e., closest to the center divider) on I-10, approaching Monroe Street, in Indio. I was driving and Agent (b)(6) (b)(7)(C) was in our passenger seat. Agent (b)(6) (b)(7)(C) was driving several car-lengths behind us. As we passed Monroe Street, I observed a white Honda Accord with silver rims enter the number three lane of westbound traffic from the Monroe Street on-ramp. When the Accord entered the highway, it was almost directly to our right and appeared that my vehicle was in its "blind spot," the location in the vehicle's mirrors where my vehicle was not visible. I peered inside of the Accord and saw that the male driver leaned forward and looked into his side-view mirror. Almost as soon as he looked into the mirror, he sat back in his seat and went from holding the steering wheel with only his left hand, to holding it with both of his hands. I suspected that the driver saw the marked presence of Agent (b)(6) (b)(7)(C) vehicle behind him, which in turn elicited a behavioral response from him. Agent (b)(6) (b)(7)(C) and I both immediately communicated with each other that we observed the behavioral response from the driver and that we found it suspicious.</p> <p>I slowed, pulled to the number two lane, and matched the Accord's speed, which, according to my vehicle's speedometer, was approximately 55 miles-per-hour ("MPH"). I pulled alongside the Accord and looked inside. When I looked inside of the vehicle, the driver looked over, then immediately looked back ahead and appeared to say, "Oh, fuck."</p> <p>I initially believed that the driver did not see Agent (b)(6) (b)(7)(C) and I, and that his behavioral response was suspicious when he appeared to notice Agent (b)(6) (b)(7)(C). When I pulled alongside of the Accord and he looked into my car, then shot his head back forward, I believed it to verify that he did not initially see Agent (b)(6) (b)(7)(C) and I. Also, when the driver appeared to say, "Oh, fuck," I believed that it further verified my suspicion and indicated that the driver was displeased upon seeing us.</p>

<p>I slowed and pulled behind the Accord in the number three lane (i.e., closest to the right shoulder). At that point the Accord was behind a semi-truck and trailer. We drove behind the Accord and the semi-truck for approximately one mile before the Accord's left turn signal illuminated and it merged to the number two lane. We merged with the number two lane behind the Accord. The Accord and Agent (b)(6) (b)(7)(C) and I passed the semi-truck, and continued in the number two lane. Agent (b)(6) (b)(7)(C) and I merged with the number three lane and drove alongside the right side of the Accord. When we drove on the right side of the Accord, I observed an additional male subject sitting in the front-passenger seat of the Accord. I observed that the passenger was looking straight ahead and neither of the occupants appeared to be talking. We continued alongside the Accord for approximately one to two miles, without observing any additional changes in the subjects' behaviors. Throughout the entire time of us driving alongside the Accord, I did not observe any noticeable change in its speed, and observed that the Accord's speed was lower than that of the majority of traffic.</p> <p>When driving alongside vehicles for a prolonged amount of time, it is likely that, at some point, the occupants will look over and acknowledge our presence. Also, a large quantity of vehicles passed our location, indicating that the Accord's speed was uncharacteristically low. In my experience, both of those observations, collectively, indicate to me that the driver of the vehicle may be nervous in the presence of law enforcement officers.</p> <p>Agent (b)(6) (b)(7)(C) and I communicated our observations with each other and both believed that the behaviors of the occupants were suspicious. As a result of our suspicions, we contacted Agent (b)(6) (b)(7)(C) and informed him of our intent to perform an investigatory stop of the Accord. When we contacted Agent (b)(6) (b)(7)(C), he also expressed concern with the Accord's travel, and suggested that it appeared different from the rest of traffic.</p> <p>After passing the Jefferson Street exit on I-10, I activated my vehicle's emergency lights. After several seconds, the Accord's brake lights illuminated and it began to slow. The Accord merged ultimately yielded to the right shoulder and stopped. Agent (b)(6) (b)(7)(C) and I stopped behind the Accord and parked. Agent (b)(6) (b)(7)(C) stopped behind us.</p> <p>Agents (b)(6) (b)(7)(C), and I exited our vehicles and approached the accord on its passenger side. Agent (b)(6) (b)(7)(C) greeted the two occupants through the lowered passenger window. Agent (b)(6) (b)(7)(C) briefly spoke with the occupants and questioned them regarding their identity, citizenship, and immigration status. Both subjects presented Mexican identification cards. The driver identified himself as (b)(6) (b)(7)(C) and the passenger identified himself as (b)(6) (b)(7)(C). Both (b)(6) (b)(7)(C) stated that they were citizens of Mexico and admitted to being in the United States illegally. (b)(6) (b)(7)(C) stated that they both saw Agent (b)(6) (b)(7)(C) initially, and acknowledged that they're behavioral response was due to the fact that they immediately became nervous.</p> <p>(b)(6) (b)(7)(C) were placed under arrest and were secured in double-locked handcuffs. (b)(6) (b)(7)(C) were transported to the Indio Border Patrol Station for further interview and processing.</p>

(b)(6) and (b)(7)(c) further indicated that he had acquaintances whom had benefitted from relief from removal recently.</p> <p>Bed space for (b)(6) and (b)(7)(c) was requested at the Immigration and Customs Enforcement ("ICE") El Centro Service Processing Center. (b)(6) (b)(7)(C) stated that he was illegally present and had been previously arrested by the Border Patrol 24 times. (b)(6) (b)(7)(C) also told me that he was not a United States Citizen, nor did he have any documents to allow him to be legally present in the United States. <p>ARRESTING AGENTS: ----- (b)(6) and (b)(7)(c)</p> <p>ASSISTING ASSETS: ----- Other</p> <p>Narrative Title: Report of Investigation -----</p> <p>On Wednesday, August 27, 2014, I, Border Patrol Agent (b)(6) and (b)(7)(c), was assigned roving patrol duties in the desert areas near the Highway 86 Border Patrol immigration checkpoint, located north of Westmorland, California. I was in full Border Patrol rough duty uniform, and assigned a Ford F-150, marked with Border Patrol insignia, lights and siren.</p> <p>Shortly after I began my shift, at approximately 12:45 a.m., agents at the Highway 86 checkpoint notified swing shift agents that six subjects were seen on the infrared camera walking northbound, attempting to circumvent the checkpoint through the surrounding desert, west of the checkpoint. (b)(7)(E)</p> <p>The Highway 86 checkpoint is located just south of the Highway 86/Highway 78 junction, in a desolate area. When I approached the area at 1:05 a.m., I pulled onto Highway 78, which runs east/west and dead ends at Highway 86, and met up with Border Patrol Agent (b)(6) and (b)(7)(c) and his canine partner. Agents at the checkpoint contacted Customs and Border Protection air operations to assist with the search of the subjects, (b)(7)(E)</p> <p>(b)(7)(E) Agent (b)(6) and (b)(7)(c) and I left our vehicles on Highway 78 and began to search southbound in an effort to locate the foot sign of the six subjects. Agent (b)(6) and (b)(7)(c) and I searched the desert area until approximately 3:00 a.m., when Agents (b)(6) and (b)(7)(c) and (b)(6) and (b)(7)(c) notified us they had located the foot sign on Kane Springs, an east/west trail that parallels Highway 78 to the south. They notified us that they would track the foot sign from where it was located, which was approximately one mile west from Highway 86. They also stated that the subjects appeared to be headed west/northwest. Due to the fact that the area we were searching is very large, and the fact that the foot sign was located several miles from our location, Agent (b)(6) and (b)(7)(c) and I chose to return to our vehicles. Agent (b)(6) and (b)(7)(c) returned to the Highway 86 checkpoint at that time, which was his duty assignment. I chose to relocate to the Bureau of Land Management trail #191 (BLM 191). This trail runs north/south and intersects Highway 78. The trail is often walked across by subjects traveling the route that was indicated by Agents (b)(6) and (b)(7)(c). I drove BLM 191 south approximately four miles, to Kane Springs, then returned north, ending the search at 5:45 a.m. The</p> <table border="1"><tr><td>Signature (b)(6) and (b)(7)(c)</td><td>Title BORDER PATROL AGENT</td></tr></table>			Signature (b)(6) and (b)(7)(c)	Title BORDER PATROL AGENT

<p>Agent (b)(6) (b)(7)(C) was in the area as well, conducting surveillance in an unmarked silver Dodge Charger. When I approached Highway 78 driving northbound on BLM 191, Agent (b)(6) (b)(7)(C) asked if there was an available agent near the Allegretti Farm. The Allegretti Farm is located just west of BLM 191 on Highway 78. (b) (7)(E)</p> <p>(b) (7)(E) I notified Agent (b)(6) (b)(7)(C) that I was in the area, and headed his way. He stated that while he was parked on the side of Highway 78 conducting surveillance of the area, he witnessed two vehicles, a minivan and Chevrolet Suburban, traveling eastbound. He stated the vehicles, which were traveling in tandem, briefly stopped near the entrance of the Allegretti Farm, then turned around and headed westbound. He stated that we should initiate a vehicle stop on both vehicles for possible illicit activity, based on the reasonable suspicion that he had gathered. While I approached Agent (b)(6) (b)(7)(C) position, I noticed the suspect vehicles were unable to stay within the marked lines on the highway, possibly indicating that they realized they were being followed. Agent (b)(6) (b)(7)(C) then passed the first vehicle, a silver 2001 Chevrolet Suburban (CA (b)(6) (b)(7)(C)) and initiated a vehicle stop on the lead vehicle, a 1998 Dodge Caravan (CA (b)(6) (b)(7)(C)). I also initiated a vehicle stop on the Suburban at that time. Both vehicles immediately yielded, and I approached the driver's side of the Suburban, while Agent (b)(6) (b)(7)(C) approached the Caravan.</p> <p>While walking up to the driver's side, I used my flashlight to look through the rear windows of the vehicle. I noticed eight subjects in the vehicle, including three in the back who were laying down and pretending to appear asleep. I approached the driver, later identified as (b)(6) (b)(7)(C) (DOB: (b)(6) (b)(7)(C)), and identified myself as a United States Border Patrol agent, and asked him to state his citizenship. (b)(6) (b)(7)(C) stated that he was a United States citizen, and handed me a valid California Driver's License. I asked him where he was coming from today, and he could not answer. I asked him again, and he mumbled, "Los Angeles," under his breath. I noticed the driver was exhibiting a nervous demeanor with his body language, including his hesitation in answering, and a trembling hand when he handed me his driver's license. I asked him what his purpose was in the area, and he again was unable to answer. I then asked the driver's side rear passenger to open the door. The subject, later identified as (b)(6) (b)(7)(C) (DOB: (b)(6) (b)(7)(C)), opened the door, and I asked him to state his citizenship. He stated that he was a United States citizen. I turned to the passenger seated next to him and asked him to state his citizenship. He stated that he was a citizen of Mexico. I asked him if he possessed any immigration documentation which allowed him to live, work or reside legally in the United States of America, and he stated, "No." While looking into the vehicle, I noticed that several of the occupants appeared exhausted and dirty, indicating that they had possibly</p>

I searched his person, and seized a black Samsung cellular phone from his waistband. (b)(6) and (b)(7)(c) was detained in a marked Border Patrol vehicle and no further questions were asked of him at that time. I also asked (b)(6) and (b)(7)(c) to exit the vehicle. I noticed that he looked exhausted, had dirty shoes and clothing and a black ski mask tucked in his waistband. I also placed him under arrest for Alien Smuggling, searched his person, and seized two cellular phones. A silver Samsung from his left pocket and a black LG from his right pocket. (b)(6) and (b)(7)(c) was then detained in a separate marked Border Patrol vehicle, and no further questions were asked of him at that time. Agents (b)(6) and (b)(7)(c) and (b)(6) and (b)(7)(c) and I began extracting the other subjects from the vehicle. While Agent (b)(6) and (b)(7)(c) arrested the front seat passenger, later identified as (b)(6) and (b)(7)(c) (b)(6) and (b)(7)(c), he was also determined to be a United States citizen, which indicated he was also a principle. He was then arrested for Alien Smuggling, detained separately in a marked Border Patrol vehicle, and no further questions were asked of him at that time. When (b)(6) and (b)(7)(c) was extracted from the vehicle, a black HTC cellular phone was located in his seat, which he identified as his. The other five subjects, all identified as Inadmissible Aliens from Mexico, were placed under arrest. All subjects were then transported back to the Highway 86 checkpoint for further interview and processing. All principles were transported separately from each other and the aliens. Agent (b)(6) and (b)(7)(c) indicated that (b)(6) and (b)(7)(c), the sole occupant from the Caravan, was also placed under arrest for Alien Smuggling for his involvement, and was transported him to the Highway 86 checkpoint for further interview and processing. <p>While I was driving towards the Highway 86 Checkpoint, I heard, via service radio, that a Customs and Border Protection helicopter was en route from El Centro to assist in the search for this group in the desert. The helicopter arrived approximately 2:00 am and I arrived about fifteen-minutes afterwards. I notified agents on the ground that I was in the area in an unmarked sedan. The helicopter remained on scene for over an hour before having to return to their base to fuel.</p> <p>I stayed on scene in both roving and static observations in an attempt to locate any possible smuggling and/or scouting vehicles in the area. Agent (b)(6) (b)(7)(C) notified agents that he was now following the foot sign for the group in a northwest direction, towards the blinking red light atop the tower at the Blue Inn. This location is approximately 10-miles west of the checkpoint, along Highway 78. Highway 78 runs east to west from the Highway 86 Checkpoint. (b)(7)(E)</p> <p>(b)(7)(E)</p> <p>At approximately 5:40 am, I was observing traffic along Highway 78 from a hidden position along (b)(7)(E) just north from Highway 78, across from (b)(7)(E). I had been observing traffic from this static position for over two-hours and noticed that the traffic was desolate with mainly semi-trucks passing every ten-minutes and an occasional passenger car travelling at highway speeds. (b)(7)(E)</p> <p>I then observed what appeared to be two-vehicles travelling in tandem, eastbound along Highway 78 and (b)(7)(E). These two-vehicles appeared to be driving different than the normal traffic pattern. They were driving at a slower rate of speed and the vehicle in the rear was tapping its brakes every few seconds as if to maintain speed with the lead vehicle. Due to the twilight morning sky, I could not observe what type of vehicles they were but that they were larger, similar to a van or sport-utility vehicle (SUV). (b)(7)(E)</p> <p>(b)(7)(E)</p> <p>(b)(7)(E) Feeling these vehicles were odd, I decided to follow them to see where they were headed. I left my position and began to follow the vehicles. I entered Highway 78 and began to follow the vehicles eastbound.</p> <p>After about a mile, I noticed that the vehicles began to slow and pull to the right shoulder, near the main entrance of Allegretti Farm. I then pulled over approximately 100-150 yards behind the vehicles and attempted to observe their actions. As the vehicles pulled over, I noticed that the head and tail lights on both vehicles went out. I observed what I thought to be movement around the vehicles but could not tell exactly what was happening. Allegretti Farms is a large landmark in the desert, west of the Highway 86 Checkpoint. (b)(7)(E)</p> <p>(b)(7)(E)</p> <p>(b)(7)(E) I then noticed that the second vehicle turned its lights on and also made a U-turn, travelling west towards my position. As the first vehicle passed my location, I noticed that it was a green in color Dodge Caravan with what appeared to be a sole-occupant driver. The second vehicle then passed my location and I noticed that it was an older Chevrolet Suburban, silver in color. The Suburban appeared to be fully loaded with at least five-individuals. (b)(7)(E)</p> <p>(b)(7)(E) I decided to follow the vehicles and called for backup in order to conduct a vehicle stop on both vehicles to ascertain if any illegal activity was being committed.</p> <p>Border Patrol Agent (b)(6) (b)(7)(C) responded to my request for backup and advised that he was a couple of miles away. I decided to continue to follow the vehicles until Agent (b)(6) (b)(7)(C) could catch up so that we could affect the vehicle stops together. We continued westbound on Highway 78 to the intersection of Split Mountain Road, when Agent (b)(6) (b)(7)(C) was able to catch up. I continued calling out the direction of travel and location on the radio during this time. The (b)(7)(E) left my sight since I first discovered them from my observation point on (b)(7)(E). I then coordinated with Agent (b)(6) (b)(7)(C) to simultaneously stop both vehicles. Agent (b)(6) (b)(7)(C) would stop the Suburban in the rear and I would stop the Caravan in the lead. At approximately 5:55 am, Agent (b)(6) (b)(7)(C) and I activated our emergency lights and stopped both vehicles along Highway 78, just east of Ranger Station Road.</p> <p>I approached the Caravan and identified myself as a United States Border Patrol Agent to the sole-occupant and driver, later identified as (b)(6) (b)(7)(C). I asked (b)(6) (b)(7)(C) as to what his name was and he presented me with his California driver license and stated his name as (b)(6) (b)(7)(C). I asked (b)(6) (b)(7)(C) where he was from and he replied "South Gate". I then placed (b)(6) (b)(7)(C) under arrest for his suspected involvement in alien smuggling and secured him in my service vehicle. There were no other subjects located in the Caravan.</p> <p>I then turned towards Agent (b)(6) (b)(7)(C) and asked for his status. Agent (b)(6) (b)(7)(C) was in the process of arresting the driver of the Suburban, later identified as (b)(6) (b)(7)(C) (DOB: (b)(6) (b)(7)(C)) and asked if I can watch the Suburban and the remaining occupants until he secured (b)(6) (b)(7)(C) in his service vehicle. Agent (b)(6) (b)(7)(C) relayed that he believed the Suburban to be involved in alien smuggling. I then approached the Suburban and noticed a single-female, laying down in the cargo area. I then noticed two-individuals in the rear-bench seat and three-individuals in the middle-bench seat. I also noticed a single-male sitting in the front passenger seat, later identified as co-principle (b)(6) (b)(7)(C) (b)(6) (b)(7)(C). I suspected (b)(6) and (b)(7)(c) of being involved in alien smuggling, specifically as the foot-guide for the group walking through the desert. The remaining individuals in the Suburban all admitted to being in the United States illegally and that they were walking through the desert before being picked-up by the tandem vehicles.</p> <p>Based on the facts given and my observations, I determined that (b)(6) and (b)(7)(c) (b)(6) and (b)(7)(c) were all involved in alien smuggling, with two-vehicles, smuggling five-illegal aliens. This group circumvented the Highway 86 Border Patrol Checkpoint and was picked-up along Highway 78, by two-vehicles, to further their entry into the United States, in violation of 8 USC 1324, alien smuggling.</p> <p>All persons involved, and both vehicles were taken to the Highway 86 Border Patrol Checkpoint for further interview and processing. Please refer to Border Patrol Agent (b)(6) and (b)(7)(c)'s G-166, Report of Investigation, for further information regarding this case.</p> <p>I also returned to the main entrance of Allegretti Farm and found foot sign, matching the shoes worn by the smuggled aliens and (b)(6) and (b)(7)(c). I took photographs of this foot sign and attached them to this report.</p> <p>***Addendum by Border Patrol Agent (b)(6) and (b)(7)(c)***</p> <p>On August 27, 2014 I, Agent (b)(6) and (b)(7)(c), was assigned to the Split Mountain area of operations near Westmorland, California. <p>At approximately 02:30 p.m., Agents (b)(6) (b)(7)(C) were traveling eastbound on Interstate 10 when Agent (b)(6) (b)(7)(C) noticed a tan Chevrolet pickup truck traveling on Interstate 10 near Monterey Avenue. Agent (b)(6) (b)(7)(C) observed that the vehicle significantly slowed its speed when the driver looked in his driver's side rearview mirror. Agents (b)(6) (b)(7)(C) observed that although there were many other cars on the freeway at this time the Chevrolet pickup truck was the only one that had a noticeable change in driving behavior when near their marked unit.</p> <p>Agents (b)(6) (b)(7)(C) slowed down and were able to verify that the vehicle had four passengers. While driving eastbound on Imperial Avenue, San Diego, California, both agents observed a subject later identified as (b)(6) (b)(7)(C) walking eastbound. As agents passed by the intersection of Imperial A and Francis street in a clearly marked government issued Border Patrol vehicle, (b)(6) (b)(7)(C) turned away as to avoid eye contact. Agents continued eastbound until a side street allowed for a safe U-turn. As agents approached, (b)(6) (b)(7)(C) began running northbound, jumping over a fence into some thick brush in an apparent attempt to avoid B. Patrol Agents (b)(6) (b)(7)(C). After a brief search of the area, Agent (b)(6) (b)(7)(C) found (b)(6) (b)(7)(C) laying face down in some brush. Agent (b)(6) (b)(7)(C) identified himself as a United States Border Patrol Agent and conducted an immigration inspection of (b)(6) (b)(7)(C). (b)(6) (b)(7)(C) freely admitted to being a citizen and national of Mexico present in the United States without proper documentation. At approximately 10:10 a.m., (b)(6) (b)(7)(C) was arrested for being illegally present in the United States and was transported to Imperial Beach Border Patrol Station for processing.</p> <p>At the station, as a routine step in processing, (b)(6) (b)(7)(C) biographical and biometric information was entered into the Department of Homeland Security Databases. These systems revealed that (b)(6) (b)(7)(C) has immigration and criminal histories under the following numbers:</p> <p>Alien Registration Number: (b)(6) (b)(7)(C) (b)(6)(b)(7)(C)(b)(7)(E)</p> <p>Signature (b)(6) (b)(7)(C) Title BORDER PATROL AGENT</p>

<p>No wants or warrants were found.</p> <p>Further checks showed that (b)(6) (b)(7)(C) was previously ordered removed from the United States on April 10, 2008.</p> <p>On January 23, 2011, at approximately 1:07 PM, I, Border Patrol Agent (b)(6) (b)(7)(C) notified (b)(6) (b)(7)(C) of his right to speak with a Mexican Consular Officer in the Spanish language as witnessed by Border Patrol Agent (b)(6) (b)(7)(C). (b)(6) (b)(7)(C) stated that he understood his rights and declined to speak with an Officer from the Mexican Consulate.</p> <p>(b)(6) (b)(7)(C) again freely admitted to being a citizen and national of Mexico and that he illegally crossed into the United States on January 10, 2009, at approximately 11:00 AM, in the mountains somewhere in San Diego, California and that he is not in possession of any immigration documents that would allow him to legally remain in the United States. When questioned about his date of birth during the questions on the I-215B form, (b)(6) (b)(7)(C) gave a different response than the date on the CIS record.</p> <p>(b)(6) (b)(7)(C) was served DHS forms I-215B, I-871, and I-294.</p> <p>(b)(6) (b)(7)(C) is being held in the custody of the Department of Homeland Security pending reinstatement of a prior order of removal.</p>
